Spring is Coming !

Dear Sisters in Christ,

The New England Synodical board of Women of the ELCA sends its greetings, prayers, and warm blessings to you. We have several items to bring to your attention and ask for your input. Keep scrolling down. There is lots of information for you,

Distribution of Katie's Fund 2122 grants

To update you on the use of our seed monies from **Katie's Fund 2122**, we made the following donations and proposals.

- a \$400.00 donation was made to the Ruth House in Brockton, MA run by Ascentria Care Alliance. We chose Ruth's House as one of our recipients because of the vibrant work it does within our community. We know that young women and their families benefit from their program. The speaker at the Spring Gathering for Boston Metro was a graduate of their program! Ascentria Care Alliance reaches throughout New England in its many forms of service to those in need of housing, health services and support. www.ascentria.org
- We also granted two-year subscriptions to [Gather magazine](#) to the Women of The Intersection Church, Dorchester, MA. This gift continues our ministry of support to their inner-city mission church in Boston.

Your Synodical Board is also proposing funds to support a Spring Gathering in Connecticut – look for the date to be announced soon! To see more actions taken with this seed money by other Synodical

Please Welcome Leslie Carson, Board Secretary

We are so happy to report that the board has a new Secretary! The NE Synodical board recently appointed Leslie Carson as secretary to serve until elections at the New England Synodical Convention in October 2024. Leslie is a lifelong Lutheran and is currently a member at St. Paul's in Old Saybrook, CT. We met her in Phoenix at the Triennial Convention (yup at the quilting tables for LWR) and the rest is God's amazing grace to walk to us!

Active WELCA Units - Where are You?

The NE Board almost completed canvassing for **Active Congregational Units** within New England. Calls and emails have gone out to every ELCA church within New England to locate active WELCA units or interest in organizing one. This information is then given to WELCA churchwide to help set specific representation for the next Triennial in 2026.

Four steps to becoming an active unit

Are you interested in starting or reorganizing an active congregational unit or know a group that is? If the answer is yes, and you believe in the mission and purpose of the organization, you can become an active Women of the ELCA unit. Begin by asking other women to join you in this organization that is redefining women's ministry. For assistance please contact a member of the New England WELCA board. The four steps and more information is available on womenoftheelca.org [here](#).

SAVE the DATE
